RUBRICS FOR INDUSTRY INTERNSHIP (CIE) Review 1

TO BE EVALUATED BY THE INTERNAL COMMITTEE for 25 Marks

A committee shall be constituted comprising the Head of the concerned Department (or the HoD's nominee) and three faculty members, including one from the parent department, the project guide, and one faculty member from another department

Performance Indicator	Maximum Marks	HIGH	MODERATE	LOW
Industry Internship daily report (PO 9)	10	The diary is exceptionally detailed, well organized, and comprehensive. Entries are consistently on time, with complete details of the industry internship, clear documentation of tasks, and use of relevant evidence (e.g., visuals, charts). (7-10)	The diary is adequately detailed but may lack consistency. Details of the industry internship and documentation are present but somewhat incomplete. Evidence is limited. (4-6)	The diary is missing significant content, disorganized, and poorly written. Details of the internships are absent or irrelevant, with no evidence provided. (0-3)
Deliverables and Outcomes (PO 3, PO4 & PO 5)	10	Deliverables exceed expectations and provide significant value. (7-10)	Deliverables are completed but with limited impact or quality. (4-6)	Fails to deliver tasks or creates no measurable outcomes. (0-3)
Presentation Skills (PO 9)	05	Contents of the presentations are appropriate and well delivered. (4-5)	Contents of the presentations are appropriate but not well delivered. (2-3)	Contents of the presentations are not appropriate and not well delivered. (0-1)
